harvester
CHRISTIAN CHURCH

Summer 2018 Internships

Adult Ministries | Discipleship, Outreach/Connections, and Care on our St Charles campus.
NexGen | Student Ministry & Children's Ministry on our St Charles campus.
Preaching | Work with the teaching team and experience the weekends on both campuses.
Worship/Creative Arts | Work with the worship teams at both campuses.

Harvester Christian Church, is a growing church with campuses in the Missouri communities of St Charles and Troy. Coordinated through the Merold Institute of Ministry at Harvester, internships are offered each summer to undergraduate students considering full time ministry.

These short term, focused experiences are designed with both a general and a concentrated ministry track. We believe certain qualities and attributes such as service, compassion and teamwork are vital for a pastor's success so an intern will experience hospital calling, food pantry and other church wide functions. Each intern will also spend a significant amount of time in a concentrated ministry area (e.g. nexGen) mentored by the lead staff member of that ministry area.

Who Should Apply?

College age students who have completed at least one year of college. Preference is given to individuals considering full time ministry who have completed two years of college but have not graduated.

Apply online at: http://harvesterchristian.org/ministries/themeroldinstitute/internships/
Application Deadline: February 9th; Selection completed by Feb. 23rd
