### ETERNALLY FOCUSED: *Live Passionately (Phil. 3)* | Group Questions for Week 3

**Prepare:** After listening to the sermon and reading Philippians 3, bring any insights or questions you have to your group for discussion.

#### Discuss\*

*Read Ephesians 5:15-17*

- What does living “passionately” mean to you?
- Does being “careful” how you live make it easier or harder to live passionately? Why or why not?
- Why do you think that most of us don’t really “make the most of every opportunity?”
- Which of the two questions of evaluating your decisions (require faith? Unselfish?) is most helpful to you? What other questions would you suggest?
- How do you stay connected to God and how does it help you to live out God’s will for your life?
- Besides fear, what other attitudes can steal your passion?
- Have you ever thought of your group and your Christian friends as an opportunity to put courage into each other? How might you do more of this in your group and during the time between meetings?

*Read Philippians 3:14-15*

- How would you describe these three areas of focus: forget, look forward, and press on? Which one is the hardest for you?
- How might the idea of “1% better” help you live more passionately each day?
- What is the “Someday Syndrome?” In what areas do people struggle with this?

#### Apply

- Are you doing anything in your life right now that requires faith? If not, why not?
- Make a contact with at least one other person in your group this week and encourage them.
- How can you remind yourself that “someday is today?”

***Someday. One day. When. If. Then it’s over.***

***When are we going to wake up and realize this is life . . . your life, right here, right now?***

***~Kerry & Chris Shook***

*\*Use these questions to guide your discussion. Don’t feel like you have to go through all of them and make sure you take time to talk through any questions and observations from the group.*
