

## Harvester Groups | Questions for Week Five—Mary Magdalene John 20:11-18

### Open

- Describe a time when you felt pain and sadness because of something or someone you had lost.

### Video Teaching | Approx. 25 minutes.

### Discuss\*

- Share anything from the teaching that caught your attention.
- How do the four different highlights from Mary's encounter with Jesus at the tomb strike you? Which come more easily for you? Which are more difficult?
  - First, we need to go wherever we have known Jesus to be before.
  - Second, we need to explore what is truly behind our hurt.
  - Third, instead of continuing to ask "why," we need to ask "who."
  - Fourth, we need to trust that Jesus will meet us and reveal Himself to us in that space, in the exact way we need Him to (personally and specifically).

### Reflect

- What are you struggling with right now? (No struggle is too big or too small.)
- In light of today's discussion, what is your next step in the midst of that struggle?
- How can the group pray for you?

*\*Use these questions to guide your discussion. Don't feel like you have to go through all of them and make sure you take time to talk through any questions and observations from either the sermon or the lesson with the group.*
