

**Harvester Groups**  
***A Time for Reflection***

As a group, spend some time together reflecting on what God has been doing in your individual lives and group life this year so far. Use these questions as guides for your reflection and discussion:

- How has your group grown (and how have you grown personally) in the past year?
- What has the chaos and confusion of the past year or so made possible? How have you been blessed by God in the midst of it?
- Who are the 2-3 people who have had the biggest impact on your life? In what ways have they shaped you? How can you thank those people (or their children) for the impact they have had on you?
- What hopes, dreams, and desires do you have for the remainder of this year? How might your reflections on the people and events of the past year influence these hopes, dreams, and desires?
- What is your group plan going into the summer (and then into the fall)? What is God leading you to explore together? What space might he be calling your group to make for new people?
- ***Based just on this discussion***, what should we pray about?

*\*Use these questions to guide your discussion. Don't feel like you have to go through all of them and make sure you take time to talk through any questions and observations from either the sermon or the lesson with the group.*
